Redowan Ahmed Rizvy

Full Stack Web Developer | Software Developer

Halishahar, Chattogram, Bangladesh | ridowanahamed69@gmail.com
github.com/rizvy-codes | linkedin.com/in/redowan-ahmed-rizvy-292534305

PROFESSIONAL SUMMARY

Computer Science Technology diploma student with working knowledge of Python, Java and C++ and hands-on experience building interactive, full-stack style web applications. Motivated to start a career as a Full Stack Web Developer / Software Developer, with a growing interest in AI/ML, and eager to learn quickly and contribute to real-world projects.

EDUCATION

Diploma in Computer Science Technology 2024 – Present
Chattogram Government Polytechnic Institute, Chattogram

Secondary School Certificate (SSC) 2023
Govt. Muslim High School, Chattogram | GPA: 4.89

TECHNICAL SKILLS

Programming Languages:	Python, Java, C++
Web Development:	Full Stack Web Development, HTML, CSS, JavaScript
Areas of Interest:	Software Engineering, AI / Machine Learning

PROJECTS

Interactive Single-Page Web Application (Personal Project) GitHub
HTML, CSS, JavaScript

- Designed and developed a responsive single-file web application with Bangla-language content and multiple interactive sections.
- Built an in-page music/songs section, an animated envelope-style letter reveal, and interactive UI elements including a dynamic button with evasive movement behaviour.
- Working on additional features: 3D particle heart animation, site-wide dark / light mode toggle, and an installable offline-capable app version for iOS and Android.

CAREER OBJECTIVE

To secure a Full Stack Web Developer or Software Developer role where I can apply my programming and web development skills, grow through real projects, and contribute to the team.
